## DeMaria Building Company Hired to Provide Preconstruction Services

Detroit, MI

DeMaria Building Company has been selected to perform pre-construction services for the renovation of City Hall in the City of Inkster, located at 26215 Trowbridge Road. Once the design is complete, bid documents will be made available to all contractors interested in bidding.

DeMaria will be working with the architect Wigen, Tincknell, Meyer & Associates, Saginaw, MI, to provide budgeting and assist in finalizing the design.
