

DeMaria COVID-19 Visitor and Subcontractor Questionnaire

The safety of DeMaria’s employees, customers, subcontractors, suppliers, and families is our top priority. As the Coronavirus Disease of 2019 (COVID-19) continues to spread, DeMaria Staff will continue to closely monitor the situation and provide updates to the company on recommendations from the Center for Disease Control and World Health Organization.

To prevent the spread and reduce the risk of COVID-19 to our employees, visitors and subcontractors, we are administering this questionnaire. Your participation is crucial in helping us protect yourself and everyone else in our offices and project sites. Thank you for taking the time to fill this out as it contributes to the health and safety of everyone.

DeMaria Office and Project Site Visitor and Subcontractor Procedures

To protect the health and safety of everyone at our offices and project sites, given the coronavirus outbreak's continued spread, we will now require additional screening of all visitors and subcontractors prior to entry into our DeMaria offices and project sites.

Effective immediately, all visitors and subcontractors entering DeMaria offices and project sites are required to complete a questionnaire. If any questions are answered "yes" access will be denied. The visitor or subcontractor will be respectfully asked to reschedule their meeting or make other arrangements.

If a visitor or subcontractor is approved to enter and plans to be on DeMaria premises for consecutive days, there is no need to repeat the questionnaire each day, unless any responses change. Changes should be reported to the DeMaria host.

If you have traveled to any of the following countries within the last 14 days (including any travel layovers), or have been exposed to someone who has, access will be denied. This is a list that is updated by the CDC to include any countries where there is a widespread, sustained (ongoing) transmission of the COVID-19 virus.

- China
- Iran
- South Korea
- Italy
- Japan
- Europe
- United Kingdom
- Ireland
